# Brand Introduction

---

Zhejiang Juntong Hotel Management Co., Ltd. successfully listed on the National Small and Medium Enterprises Board on March 7, 2016. As of now, the company owns brands such as "Juntong Hotel" (mid-to-high-end selected hotels), "Pagoda Hotel" (high-end selected design hotels), and "Night Stay Series" (cultural boutique hotels). The company has opened and is preparing to open a total of 50 hotels, with over 7,500 guest rooms distributed across major cities in China, including Shanghai, Zhejiang, Jiangsu, Hainan, Shandong, Hubei, Anhui, Jiangxi, and Guangxi.

Over the past decade, Juntong has been dedicated to exploring a refined business model. Through differentiated products, valuable services, and continuously evolving innovative living spaces, it has become a cornerstone brand in the mid-to-high-end select hotel market. By inheriting the essence of Eastern culture and skillfully incorporating Asian design elements to create an ambiance of life aesthetics, Juntong enhances its core product quality, personalized experiential design, and warm, heartfelt service offerings. This approach provides travelers with immersive contextual experiences rooted in Eastern culture.
